No. Students:	28	No. Responses: 1 (3.6%)
Date of Survey:	03/06/2019 - 12/07/2019	

Comment on the teaching of []. What are the best aspects of their teaching?

- I had Orren as the lecturer He was incredible, had passion for the topic, he was able to remain calm during times students were being disruptive. I personally felt frustrated at their behaviour. He was happy to go over questions multiple times.

Comment on the teaching of []. How could their teaching be improved?
